

WEEK: 6**THEME: We Take Care of Each Other****LETTER: C**

Circle time: calendar, weather, sing songs, read a book, letter of the week, discussion, and craft

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
BOOK	<u>What Mommies/Daddies Do Best</u> by: Laura Numeroff	<u>Daddy Calls Me Man</u> by: Angela Johnson	<u>What Mommies/Daddies Do Best</u> by: Laura Numeroff	<u>Bears Busy Family</u> by: Stella Blackstone	<u>What Mommies/Daddies Do Best</u> by: Laura Numeroff
DISCUSSION	How do our parents take care of us?	Who else do we take care of in our families? Ex. Pets, grandparents, other relatives.	How do our families show us kindness? What are kind words?	What do we depend on our families for?	Revisit how we take care of our family members.
CREATIVE ART	Create your own family photo book with your family photos, label who is in each picture.	Graph who's in your family. How many grandparents do you have? How many cousins do you have?	Make a flower bouquet for someone you love! Using tissue paper or coffee filters and food coloring or dabbers, and pipe cleaners, if you have them.	Create a Family Care Box for imaginative play. Add baby dolls, diapers, pretend food, band aids etc. Make it represent your family.	Make family portraits using lots of different materials (yarn, popsicle sticks, macaroni, etc.)

HOW TO REINFORCE THE THEME

Free play: Put your Family Care Box to use! Swap out different objects as you see fit to keep it interesting. Cook together! Make a meal that's easy to prepare together as a family.

Math and Science : Number everyone in your home by age, who's the oldest, who's the youngest. Make a chart. Hugs, kisses and "I love you's" are really good for the body. How many hugs, kisses and "I love you's" do you get and give throughout the day?

Outdoor time : Let's have a family picnic! Whether it be in your backyard or in a park, enjoy each other's time over some delicious lunch (perhaps prepared together), good conversations and some fun and games.
